

Save the Earth with Toto

7 Ways Kids can Save the Earth at Home

1. Save water :
Turn off the water
while brushing teeth

2. Save energy :
Turn off lights
when not in use

3. Reduce waste :
Use reusable items
instead of disposable

4. Reuse :
Reuse plastics bags,
containers and bottles

5. Recycle :
Put plastics, papers
and glass bottles
into the recycling bin

6. Eat greens :
Eat less meat & dairy
to help the earth

7. Reduce chemicals :
Use earth-friendly &
natural products
